

Rectangular dining table.

**Structure:** stainless steel AISI 316, matt-varnished in a colour matching the top, adjustable feet in stainless steel and rubber.

**Top:** composed of elements in different width, made of Cementoskin® coloured concrete.

**Notes:**

The top elements in Cementoskin® coloured concrete are positioned so as to be slightly spaced from each other.

This product can be used also in interior environments.

For this product featuring a top in Cementoskin®, the use of the Winter Set protection usually proposed for products intended for outdoor use is not recommended. The use of the Winter Set could create a humid environment, with no air recycling, which could consequently generate damage to the material.
