

Tables and side tables with the top adjustable in height or fixed.

**Base:** round or square, in aluminium, matt varnished in avorio or grafite colour; warm gear for height regulation made of stainless steel AISI 316, plastic spacers.

The base is gloss-varnished in combination with the top in Sciara Opunthia décor only (reference colours: Mano Lucida wood sample collection).

**Top:** available in:

- coloured concrete Cementoskin®
- Opus ceramica
- Sciara Opunthia décor.

**Notes:**

Opus ceramica surfaces are treated to limit the absorption of liquids and greasy substances.

The Sciara tops décor is made by hand and makes each single piece unique. The material, the particular production process and technique lead to form tops, which are different from one another, even within the same batch. Irregularity is the featuring characteristics of this production process.

The low table code B58D with a diameter of cm 100 is available with fixed top only.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.

For this product featuring a top in Cementoskin®, the use of the Winter Set protection usually proposed for products intended for outdoor use is not recommended. The use of the Winter Set could create a humid environment, with no air recycling, which could consequently generate damage to the material.
