

Dining tables available in two heights.

The series Plano also includes a side table and bookshelves.

Base: cataphoresis treated steel:

- matt varnished in avorio colour if with top in lightened concrete avorio;
- matt varnished in grafite colour if with top in lightened concrete grafite;
- matt varnished in a colour matching the top with top in Cementoskin® coloured concrete.

Plastic spacers.

Top support structure: cataphoresis treated and matt varnished steel in a colour matching the base.

Top:

- lightened concrete;
- Cementoskin® coloured concrete (available for the table code B47C only).

Notes:

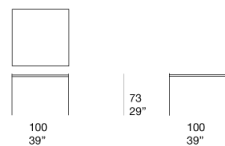

The lightened concrete tops are molded one by one; due to the material's intrinsic nature, different tops, even belonging to the same lot, can present differences in the surface colour and texture.

The lightened concrete tops are treated to limit the absorption of liquids and greasy substances.

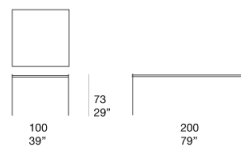

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
