UNIQUE LIVING SOLUTIONS

"LUXURY IS NOT ONLY A STATE OF GREAT COMFORT AND ELEGANCE, BUT A LIFESTYLE AND A WELLBEING FOR OUR CLIENTS"

NIZAM A. BAKI

UNIQUE LIVING SOLUTIONS

WWW.PURITY.AE

OUR PHILOSOPHY

Our main objective is to enable the indulgence of luxury products and the exclusivity factor within the homes of our clients in the UAE and neighboring countries.

With a team of Architects and Designers, **PURITY** has partnered with internationally established companies, luxury brands, and innovators in the world of design to bring you the best home furnishings. Combining quality production and craftsmanship, PURITY offers it's customers the most exclusive bespoke and high-end products.

PURITY caters to an exclusive market, where our clients view design and fashion as an integral part of their daily life. We manage projects across all **GCC** countries and beyond.

PURITY'S portfolio features state-of-the-art brands for indoor and outdoor furniture, kitchens, bathrooms, doors, partitions & surfaces, featuring BOFFI, PAOLA LENTI, FRATELLI FANTINI, OMVIVO, RITMONIO, ADL, EXPORMIM, DEPADOVA, LITHEA and many other inspiring collections.

We welcome you to visit our galleries and explore our unique collection of products and services that will leave a lasting impression on you as a luxury connoisseur.

WELCOME

The desire for wellbeing is the driving element through every aspect of our lives, and our clients in the region realize the value and importance of design in their everyday life. At **PURITY**, we believe luxury is not only a state of great comfort and elegance, but a lifestyle.

With a team of experienced professionals, we customize every idea our customers have and provide practical solutions at every step from product selection through after sales care.

We are proud to be associated with high-end brands that shape the world of design. Managing projects in the **GCC** countries and beyond from it's Dubai showrooms in Dubai Design District (d3) and Jumeirah, **PURITY** caters to an exclusive market where clients value unique living solutions.

In the world of contemporary interiors, boffis name is synonymous with innovation and excellence in kitchens and bathrooms. In 2010 the company turned its attention and innovative approach on the wardrohe sector as well

Established in 2012 in Copenhagen by Danish industrial designer Mikal Harrsen and Architect Adam Hall, MA/U Studio specializes in the creation of innovative furniture and shelving systems for the home work and hospitality environment

ADL is a Made in Italy brand designing complex systems to connect and partition interior spaces.

LIGHTING

Founded in 2005 by Davide Diamantini and based in Fossombrone in the heart of the Marche region, Karman specializes in eclectic lighting solutions with a distinctive, unconventional style influenced by the decorative arts

INDOOR & OUTDOOR FURNITURE

Specializing in rugs and seating furniture for indoor and outdoor environments, the company is today a reference point for textile

Founded by Jwana Hamdan, a young Italian entrepreneur of Lebanese origins, the homonymous brand proposes itself as the first outdoor design brand where Italian design know-how meets a cosmopolitan cultural heritage of Middle Eastern

expormim

Expormim is a company with great tradition in the production of furniture. With more than 50 years of experience, the company has consolidated in the market thanks to the ongoing process of modernization. Expormim is present in more than 40 countries around the world.

In 1950s, Fernando and Maddalena De Padova begin their furniture business activities in Milan. In April of 2015, the The union of De Padova and collaborate on an international joint distribution program, with their shared passion and Italian heritage, making the companies leaders in contemporary furniture design

DE CASTELLI

Faithful to its decision to reinstate the special role of metal in design and experimentation. De Castelli infuses artisan ideas and workmanship into industrial processes, leading to entirely original results.

BATHROOMS & SURFACES _

Boffi

In the world of contemporary interiors, boffis name is synonymous with innovation and excellence in kitchens and bathrooms. In 2010 the company turned its attention and innovative approach on the wardrobe sector as well.

ABOUTWATER:

Aboutwater is a partneship between two leading companies:Boffi and Fantini. the partnership is based on the concept of creating a new collection of taps with a modern and elegant design, conceptually excellent with flawless production

Fantini is a typical example of an Italian design factory, a family business established in 1947 by brothers Giovanni and Ersilio Fantini, a place with immense creative intensity that manages to combine great hand-crafting skill with industrial technology and processes.

E Ritmonio

Ritmonio has operated since 1947, specializing in the valves sector for heating and air conditioning components, production of brass parts, copper and brazing components. In 1999 the Bath-Kitchen Division was born to dedicate his production of taps and design for broom and kitchen areas.

Vasellı

The Vaselli brand is present in most of the international markets while remaining closely tied to its territory of Rapolano Terme, the production district of the province of Siena, Tuscany. This area is famous for the presence of limestone waters that over time, has led to an immense

Nero Sicilia is lava rock/stone extracted from the slopes of Etna. The heat of a special oven designed adhoc transforms its surface, turning it into a new natural substance improved in its technical features making it exclusive and at the same time able to meet everday modern requirementsthan 40 countries around the world.

DECASTELLI

Faithful to its decision to reinstate the special role of metal in design and experimentation. De Castelli infuses artisan ideas and workmanship into industrial processes, leading to entire

OMVIVO*

Omvivo was founded in 1991 by designer Joseph Licciardi. With a fascination for glass, Licciardi became a pioneer in Australia for producing formed glass in commercial sizes.

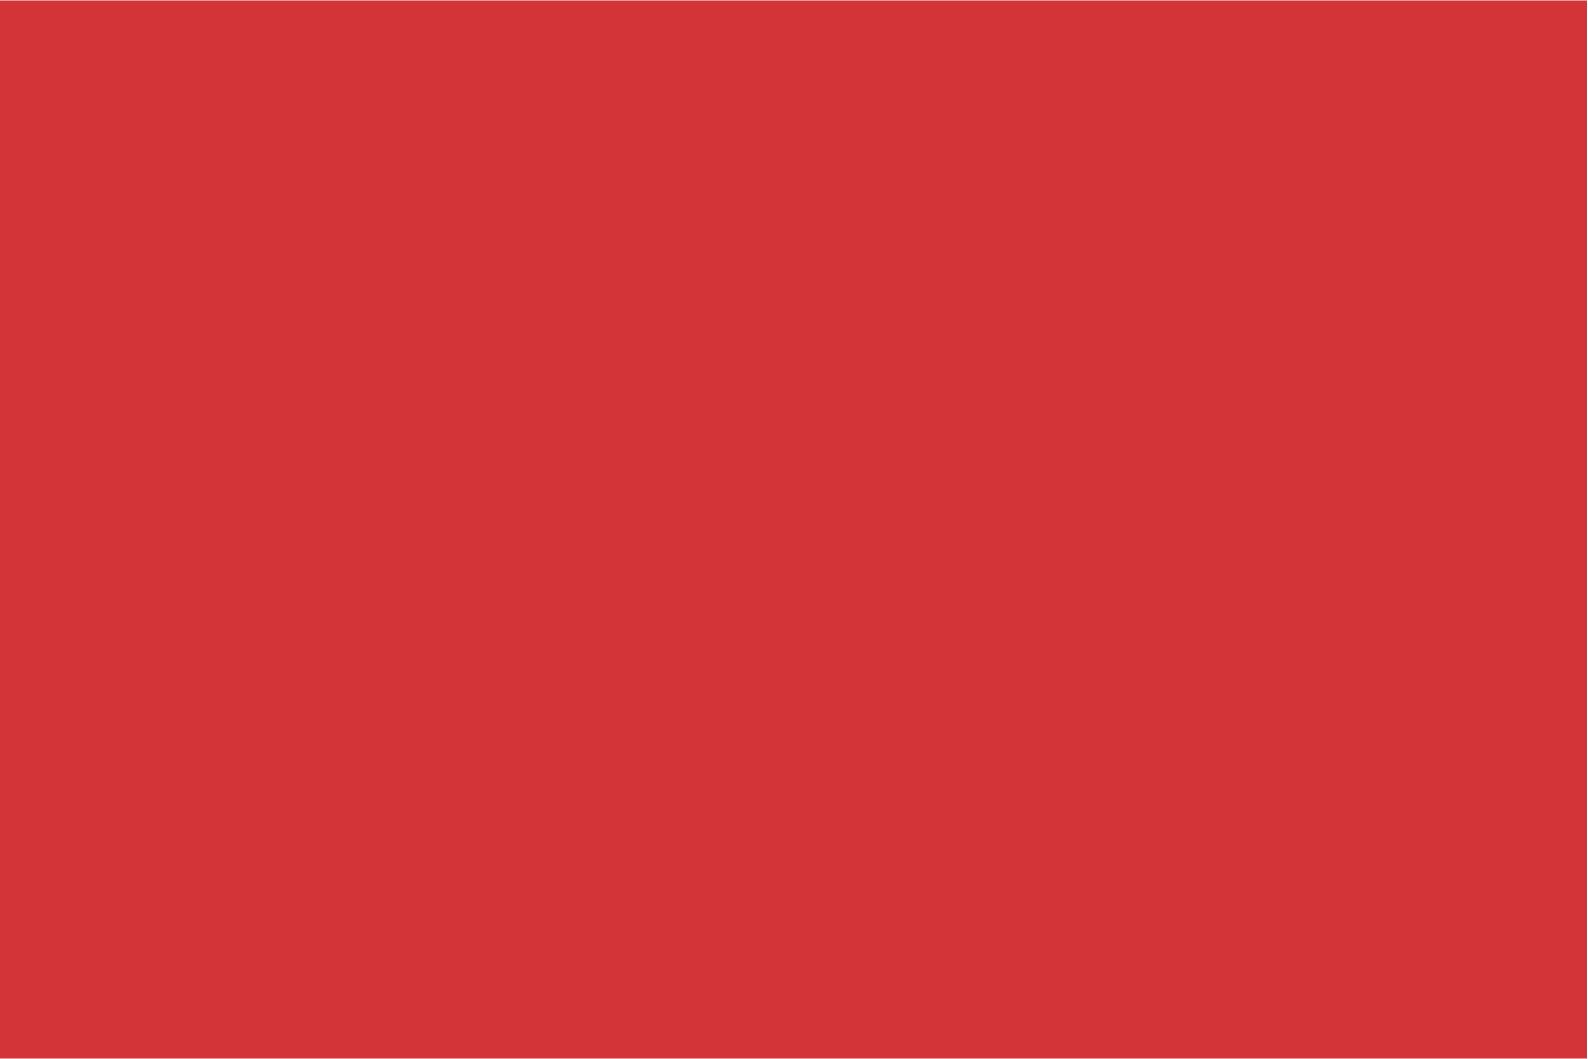

LITHEA "sensitive forms of stone" is a brand of interior design made in Italy was founded in 2008 by Patrizia Furnari, in collaboration with MGM FURNARI historic Italian company with half a century of experience in the processing of stone materials.

Eco Glass 100% Recycled, 100% Made in Italy, mosaicomicro is a brand-product, in fact, named by the quality of the product; mosaico and micro. Precious for its size and for the material of which it is composed glass. The glass powder obtained from old discarded TV and PC monitors, is modelled to obtain "micro"

KNIFF

Germany founded in 1979, over 20 year experience in specialized acrylic as well as 10 years in solid surface production.
