

Lounge chair made of bent aluminium.

Base: gloss-varnished aluminium, plastic spacers.

Seat structure: aluminium.

Support weave: stainless steel AISI 316.

Cover: braid in Twiggy yarn.

Seat and back cushions are independent and simply arranged onto the structure.

Seat and back cushions padding: recycled and biodegradable polyester fibre with insert in stress resistant expanded polyurethane.

Upholstery cover: removable and available in a selection of fabrics in the collection.

Notes:

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
