MAJLIS ON FLOOR

ENGLISH

LOUNGE SOFA

Majlis takes its name from a traditional space used in Arab countries, dedicated to hospitality and conviviality. It is a modular seating system designed for outdoor use, featuring generous dimensions, soft curves and exceptional comfort, recalling simplicity and connection to nature embraced by desert nomads.

Majlis on Floor features a generously sized seat cushion, surrounded by two distinct rolls serving as the backrest, crafted in varying sizes and densities for optimal comfort. It is designed for versatility, with modules that can be arranged in multiple configurations to suit any space.

Seat Cushion (1)

The cushion inserts, specifically engineered for superior comfort and performance, are composed of non-deformable polyurethanes in different densities to enhance firmness and support, covered by a polyester fiber net.

Back Cushions (2)

The backrest consists of two rolls made from non-deformable polyurethane foam, selected in varying densities and diameters to conform to any ergonomic needs. The precise curvature of each roll is achieved through a polyurethane moulding process ensuring a perfect blend of design, comfort and support.

Fabrics

The external covers suitable for outdoor use, are removable and washable, offering ease of maintenance.

The underside of the seat cushion is integrated with Batyline® fabric, a material selected for its high resistance to abrasions and robustness in outdoor environments. The cushion inserts are encased in a breathable, waterproof fabric, that enhances cushions outdoor functionality and longevity.
