ELEMENTS IN JAZZ CONCEPT

Il jazz come processo creativo fondato sull'interazione, sul ritmo, sulla fluidità è la fonte di ispirazione di Elements in Jazz, nuovo catalogo di Guzzini & Fontana. Elementi della zona notte si fondono con quelli della zona giorno, creando spazi infiniti capaci di donare energia e personalità ad ogni ambiente. Il catalogo si pone l'obiettivo di mostrare a pieno in ogni dettaglio tutti i complementi della zona notte, i letti e tutti quelli della zona giorno come madie, tavoli, sedie e coffee tables. In un unico capitolo sarà possibile visionare la collezione declinata in tutte le sue varianti dimensionali e di finitura. Uno strumento concepito per disegnare degli spazi sempre più accoglienti e fruibili, capaci non soltanto di integrare più funzioni ma anche di vestire l'intera abitazione nel segno di un design dall'eleganza contemporanea firmato Guzzini & Fontana.

Jazz as a creative process based on interaction, rhythm and fluidity is the source of inspiration for Elements in Jazz, the new catalog by Guzzini & Fontana. Elements of the night area blend with those of the living area, creating infinite spaces capable of giving energy and personality to every environment. The catalog aims to fully show in every detail all the accessories of the night area, the beds and all those of the living area such as cupboards, tables, chairs and coffee tables. In a single chapter it will be possible to view the collection declined in all its dimensional and finishing variants. A tool conceived to design increasingly welcoming and usable spaces. Capable not only of integrating multiple functions but also of dressing the entire home with a design of contemporary elegance signed by Guzzini & Fontana.

DES'REE BED AND PAGE COLLECTION

I dettagli curvi donano estrema eleganza e ricercatezza ai complementi notte, esaltati ancor di più dalle finiture lucide. Il nuovo letto che richiama le stesse linee è reso unico da una sottile linea di contrasto che avvolge l'intero perimetro.

The curved details give extreme elegance and refinement to the night accessories, enhanced even more by the glossy finishes. The new bed that recalls the same lines is made unique by a thin contrasting line that surrounds the entire perimeter.

DES'REE BED

Il letto DES'REE ha una struttura in multistrato completamente rivestita in tessuto. La testiera ha le estremità curve, come se volesse abbracciare i due cuscini contenuti al suo interno ed è fusa al giroletto grazie ad un unico rivestimento, ulteriore dettaglio è dato dal cordolo che corre lungo l'intero perimetro. I piedi sono in metallo nero. I comodini Page sono caratterizzati da un fianco curvo e da uno liscio con dente per presa maniglia, altra caratteristica è il piano in vetro fumé superiore che genera un vano a giorno ed un cassetto inferiore. Sono realizzati in laccato lucido Grigio LV.

The DES'REE bed has a plywood structure completely upholstered in fabric. The headboard has curved ends to embrace the two inner pillows and is fused to the bed frame thanks to a single cover. A further detail is given by the curb that runs along the entire perimeter. Feet are in black metal. A Page bedside drawers are characterized by a curved side and a straight side with a gap for opening. Another feature is the upper smoked glass top that generates an open compartment and a lower drawer, they are made in glossy lacquered Grigio LV finish.
